29 February 2016

Dear Parents / Guardians,

1. Parent Communication and Learning Night (Thursday 3 March)

Thank you to parents who have responded with your availability for the upcoming event. For those who have yet to do so, we appreciate if you could do so via return SMS, your child's communication handbook or your child's class teachers as soon as possible.

We look forward to meeting up with you to share updates for the year and continue our Empowering Parents Series. This year, we will share with you how you can use your child's PINS (preferences, interests, needs and strengths) to support his/her learning, and plan meaningful and appropriate activities.
